

# Slot Machine

*I'm thinking I try this slot machine, since it is my birthday. It would be great if I could get a jackpot, that would be 4 sevens, so 28 in total. That's perfect, because I'm turning 28!*

*1 is bad, but it's only my first spin*

*Getting closer, got 14 that time*

*19 isn't bad but we have to keep going!*

*23 is the highest yet!*

*Huge bumner, just a 5*

*Much better, 18!*

*9 is not going to do it*

*19, not quite*

*FINALLY! Jackpot! This is the best birthday ever.*

*But... isn't the saying keep going while you're ahead? I'll spin a couple more just in case*

*Urgh*

*Surely I won't lose it all*

*Noo*

*Okay one more spin and then I promise I'll quit*

*Alice comes across a slot machine in a clearing*
